**YOU SAID - WE DID
Action against set priorities**

What we have been doing to resolve community issues

As no priorities have been in place for several months the main issue we have been tackling is anti-social behaviour in our neighbourhoods.

As we reported in the last newsletter, there had been a larger than ordinary amount of ASB in our communities over the new year period.

The Beat Team are committed to tackling this behaviour head on at the earliest opportunity so that quality of life is restored.

This is how your Policing Team tackled ASB in your communities over the period 06/01/11-09/03/2011

Incidents accounting to ASB = 65

These include: Inconsiderate Behaviour, Vehicle Nuisance, Swearing and Shouting, Throwing Things, Drunken Behaviour and incidents of Criminal Damage

Unacceptable Behaviour Warning Letters served = 43, with 2 persons entering the Acceptable Behaviour Contract stage allowing conditions to be placed upon them such as curfews and whom they can associate with.

Section 59 warnings for anti-social use of motor vehicle = 1

NEXT PANEL MEETING:

As above

Coningsby/Tattershall LN4

4RB

Woodhall Spa LN10 6ST

Section 59 seizures for secondary offence = 1

Report report report

It is crucial that ALL incidents are reported in order that we can deal effectively and efficiently. What you report may be the missing piece of a jigsaw puzzle and it helps us know EXACTLY what is happening in your neighbourhoods.

You do not have to leave a name, although this helps, and you can stress at the time you call it in, that you DO NOT want an officer to visit.

**LOCAL COMMUNITY
NEWS / EVENTS**

Anti-social behaviour is any aggressive, intimidating or destructive activity that damages or destroys another person's quality of life.

The term 'anti-social behaviour' includes a variety of behaviour covering a whole range of selfish and unacceptable activity that can blight the quality of community life.

Other terms such as 'nuisance', 'neighbour disputes' and 'disorder' are used to describe some of this behaviour.

Neighbourhood Policing teams work alongside various agencies including East Lindsey District Council and social housing agencies to effectively deal with persons engaging in anti-social behaviour. This can include effecting acceptable behaviour contracts or even securing an eviction notice for those engaging in such behaviour.
